

2012 NEW YORK POLICE AND FIRE BOWLING COMPETITION

NYPFBOWL.COM

My Name is Bob Valentino & I have been the Tournament Director for the NYS Police & Fire Bowling Event for 34 years and was notified that that the event would cease to exist effective in 2012. It was disappointing to hear but many of the bowling competitors who participated in that event asked me to schedule a similar bowling event in the Metropolitan Area.

I am happy to announce that there will be a BOWLING EVENT for Law Enforcement and Firefighters on June 12, 13, 14, 2012 at EAST MEADOW LANES 1840 Front Street East Meadow, New York 11554 (516) 794-1111

The event will be open to all Police/Peace Officers and Firefighters (photo ID needed) who are employed or honorably retired prior to the first day of competition. Also eligible are Volunteer Firefighters with (proper photo ID).

Everything needed to register can be found on my Website (NYPFBOWL.COM). Anyone interested in competing may also contact me for further information at (516) 509-0010 or Rvalent558@aol.com

The goal is to have a friendly but competitive Bowling Event and hope that it becomes an annual event that all participants will look forward to every June. Gold, Silver & Bronze Medals will be awarded along with additional prizes. Event shirts will also be available. Optional pots and raffles will also be offered.

There will be separate divisions so Male & Female Bowlers of all abilities can participate in the event.
